Multi PRO 14-17.3

Professional bag with tried and tested functionality

Play it safe with MULTI PRO! The clamshell bag reliably accompanies you everywhere and meets the highest standards of quality, functionality and protection: fitall system holds notebooks of various sizes, the durable padding and reinforced frame provide excellent 360° protection for your device and clever functions will delight you in daily use.

The fitall system with integrated grip strap and padded separators fixes your 14-17.3" notebook and safety brings it to your destination. The sealable notebook pocket, the high density foam padding and the frame reinforced with metal ensure all-round protection. The padded compartment for an iPad® or other tablets (up to 10") protects against impact and is equipped with extra-soft nylex inside. Generous storage space for your documents and mobile accessories. Two extra document compartments at the back. The front pocket with key fob and insert pockets allows you to organise your personal equipment. Long-lasting wearing comfort thanks to comfortable and riveted handles, adjustable, padded shoulder strap and the practical trolley fastening strap. More than 20 years' experience combined in one bag!
